

# Output of Airline Reservation

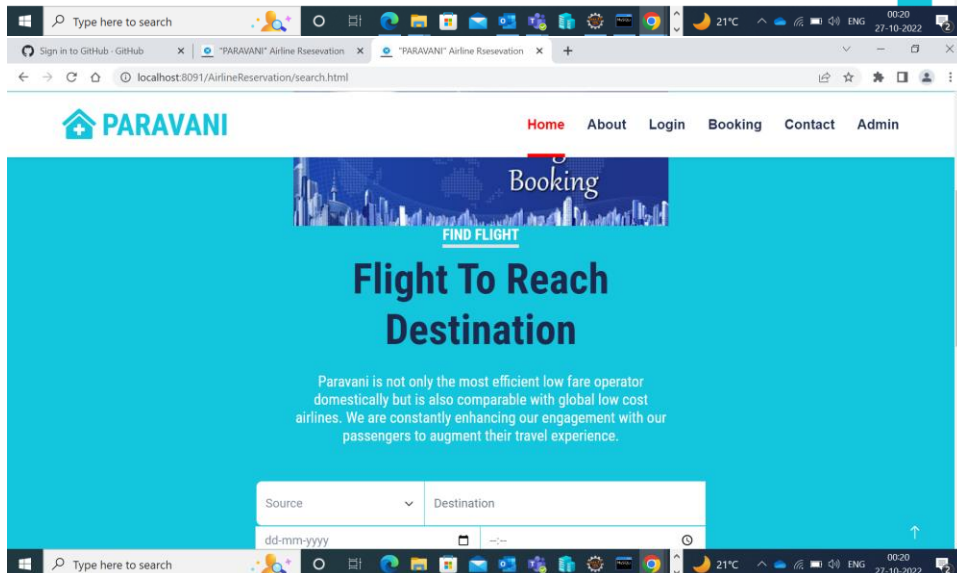

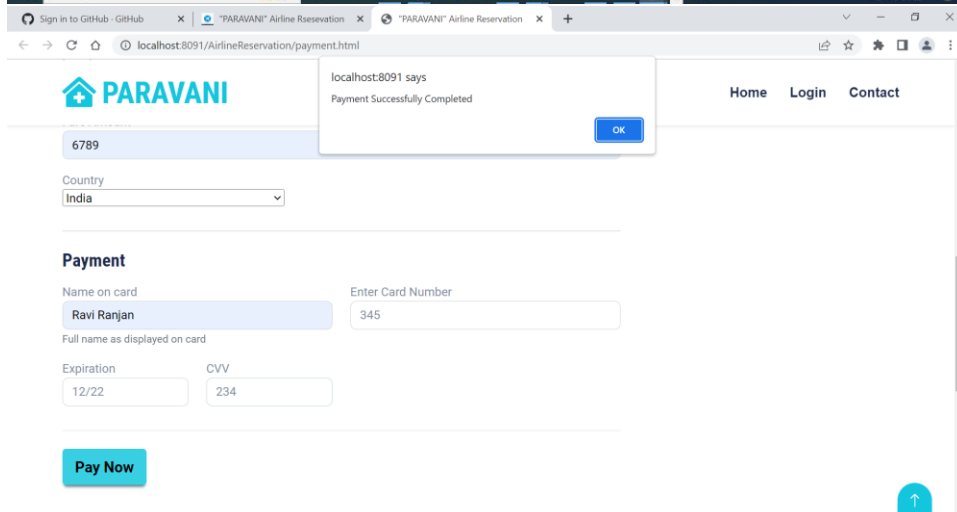

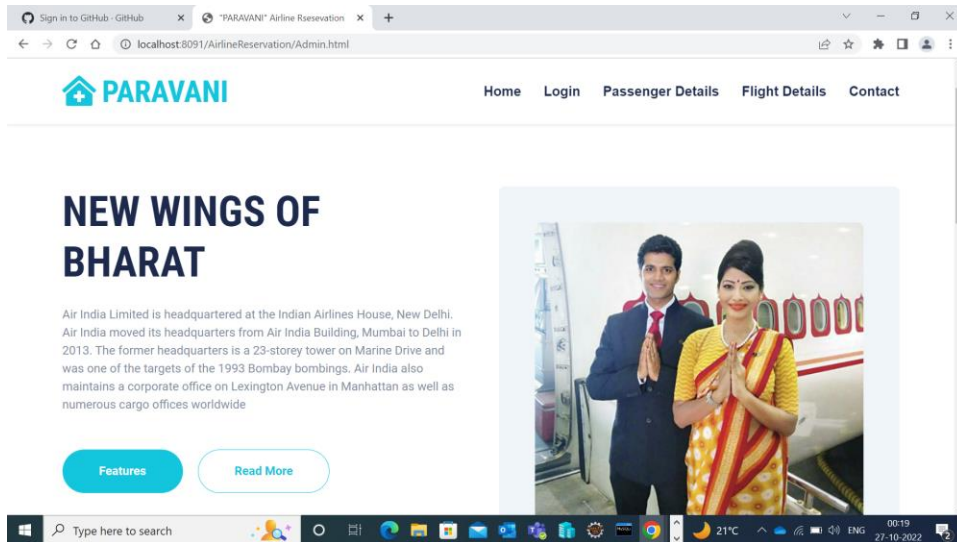

The image displays two screenshots of a web application for an airline reservation system, both running on a Windows 10 desktop environment.

**Top Screenshot (Home Page):**

- Browser:** Google Chrome, showing tabs for "Sign in to GitHub · GitHub" and "PARAVANI Airline Reservation". The address bar shows `localhost:8091/AirlineReservation/home.html`.
- Header:** The "PARAVANI" logo is on the left. The navigation menu includes "Home" (highlighted), "About", "Services", "Pages", "Contact", and "Admin".
- Main Content:** A large banner image of an Air India aircraft in flight. Overlaid on the banner is the text "Best Airways Reservation Solution" in large white font. Below this text are two buttons: "Find Flight" and "Booking".
- Taskbar:** Shows the Windows search bar, taskbar icons, and system tray with a temperature of 21°C and date 27-10-2022.

**Bottom Screenshot (Admin Login Page):**

- Browser:** Google Chrome, showing the same tabs. The address bar shows `localhost:8091/AirlineReservation/login.html`.
- Header:** The "PARAVANI" logo is on the left. The navigation menu includes "Home", "About", and "Contact".
- Main Content:** A blue banner image of an aircraft wing. Below it, the heading "ADMIN LOGIN" is centered. Under the heading are two input fields labeled "UserName" and "Password". A large blue button labeled "ADMIN LOGIN" is positioned below the input fields.
- Taskbar:** Similar to the top screenshot, showing the Windows search bar, taskbar icons, and system tray with a temperature of 21°C and date 27-10-2022.

# NEW WINGS OF BHARAT

Air India Limited is headquartered at the Indian Airlines House, New Delhi. Air India moved its headquarters from Air India Building, Mumbai to Delhi in 2013. The former headquarters is a 23-storey tower on Marine Drive and was one of the targets of the 1993 Bombay bombings. Air India also maintains a corporate office on Lexington Avenue in Manhattan as well as numerous cargo offices worldwide
